Hospital Peer Review
2006 Index

CMS
CMS and Joint Commission measures are aligned, OCT:135
Medicare final rule calls for increased reporting of quality data, OCT:133
New CMS guidelines for managing complaints, JAN:5
Study: Public reporting gaining "long overdue respect" for quality managers, DEC:161

Core measures
JCAHO, AHA clash on performance data, JAN:3
New studies examine the impact of performance measures, JAN:1
SIP measures now available to public, MAR:43

Credentialing and privileging
Address growing problem with credentialing, OCT:136
JCAHO's new credentialing, privileging standards require provider-specific data, SEP:117

Data collection
Are you collecting data you don't really need? JUN:78
Strategies to ease data collection burden, JAN:6
The Quality-Co$t Connection: Preplanning improves survey data, JUN:85

Disaster preparedness
Accreditation Field Report: Surveyors zero in on emergency preparedness, JUL:103
Do your disaster drills use a CQI approach? MAR:39

Discharge planning
AHRQ study looks at admissions from ED, JUL:98
'Basics' may be pushed aside in rush to trendier remedies, OCT:139
Can CM impact this case? That's question in busy ED, JUL:97
CHF project aims to bridge gap between providers, JAN:9
CMS releases HCAHPS survey, JAN:10
Insurers using publicly reported quality data, OCT:143
Katrina survivors suffer limited access to care, OCT:142
Letting go of the 'that's not how we do it here' mindset, APR:51
Maryland facility begins 'discharge by appointment,' OCT:142
Proposed Medicare discharge rule faces criticism, JUL:96
Set discharge time that works for you, APR:54
Specialty hospitals not exempt from transfer rules, JUL:98
System achieves 'right patient, right level of care,' JAN:7

Information technology
Obtain statistics, IT skills to advance in quality, FEB:21
Very few hospitals using EHR, says a new study, DEC:171

Infection control
Achieve near-100% hand hygiene compliance, SEP:127
Collaborative cuts ICU infection rate in half, MAR:33
Hand washing: You must measure compliance, NOV:154
Patient Safety Alert: CDC issues updated TB prevention guidelines, APR:2
SIP measures now available to public, MAR:43
Strategies to help track infections after discharge, FEB:20
JCAHO targets resistance to flu vaccinations, NOV:157

Joint Commission
Accreditation Field Report: JCAHO 'backup' system goes all the way to top during survey, DEC:164
Accreditation Field Report: JCAHO takes close look at medication safety systems, FEB:23
Accreditation Field Report: JCAHO wants hospital leaders involved in quality, JUN:83
Accreditation Field Report: Medical safety gets a close look during survey, SEP:131
Accreditation Field Report: Survey is rigorous, but staff get morale boost, APR:59
Accreditation Field Report: Surveyors zero in on emergency preparedness, JUL:103
Adding to 'do not use' list requirement is dropped, FEB:27
CMS and Joint Commission measures are aligned, OCT:135
Comply with JCAHO's goal to label all medications, APR:50
Hospitals getting more RFIs in 2006: What problems are surveyors finding? JUL:89
Is your facility prepared for surveyor imposters? JUN:77
JCAHO, AHA clash on performance data, JAN:3
JCAHO's new credentialing, privileging standards require provider-specific data, SEP:117
JCAHO's nurse staffing standards questioned, AUG:112
JCAHO targets resistance to flu vaccinations, NOV:157
JCAHO, unannounced: Just-surveyed organizations share compliance tips, APR:45
JCAHO under fire again: JCR is the issue, JUL:93
NPSGs for 2007 are here: Here are your toughest challenges, AUG:105
Watch for these changes during 2006 surveys, APR:49

Medical staff
JCAHO's new credentialing, privileging standards require provider-specific data, SEP:117
Peer review: What you can do to avoid lawsuits, DEC:166

Medications
Accreditation Field Report: JCAHO takes close look at medication safety systems, FEB:23
Accreditation Field Report: Surveyors like process used to reconcile medications, OCT:146
Comply with JCAHO's goal to label all medications, APR:50

National Patient Safety Goals
Adding to 'do not use' list require-

ment is dropped, FEB:27
Comply with JCAHO's goal to label all medications, APR:50
NPSGs for 2007 are here: Here are your toughest challenges, AUG:105

Patient flow
Patient Satisfaction Planner: Tiered structure helps ED improve flow, satisfaction, MAR:35

Patient safety
Are tubing errors harming patients at your facility? JUN:84
'Culture of safety' yields dramatic results, JAN:13
Accreditation Field Report: JCAHO takes close look at medication safety systems, FEB:23
Accreditation Field Report: Medical safety gets a close look during survey, SEP:131
Does your organization have a 'culture of safety?' Here's how to find out, MAR:29
Patient Safety Alert: CDC issues updated TB prevention guidelines, APR:2
Patient Safety Alert: Health care disparities narrow for many, APR:2
Patient Safety Alert: Massachusetts considering patients-per-nurse limits, JUL:Supplement
Patient Safety Alert: Study: Quality, patient safety improving at a modest pace, APR:1
The Quality-Co$t Connection: Procedures should promote patient safety, AUG:113
The Quality-Co$t Connection: Too exhausted to act safely? APR:56
The Quality-Co$t Connection: Ways to avert potential patient care disasters, SEP:128

Patient satisfaction
Customer Service Satisfaction Survey, MAR:41
Patient Satisfaction Planner: AHRQ: Spending on trauma surpasses heart disease
Patient Satisfaction Planner: Customer service key to patient satisfaction, JUN;81
Patient Satisfaction Planner: Diabetes care program addresses specific needs, SEP:125
Patient Satisfaction Planner: ED quadruples patient satisfaction ratings, JUN:79
Patient Satisfaction Planner: Medicare strategies eyed in Pew report, MAR:38
Patient Satisfaction Planner: More care not necessarily better care, study says, SEP: 123
Patient Satisfaction Planner: Nurse liaison must communicate well, MAR:37
Patient Satisfaction Planner: Stroke program wins first Codman award for DM, MAR:36
Patient Satisfaction Planner: RWJF report outlines health coverage plans, MAR:38
Patient Satisfaction Planner: Tiered structure helps ED improve flow, satisfaction, MAR:35
The Quality-Co$t Connection: Worst practices in patient satisfaction measurement, MAR:40

Pay-for-performance
Anti-kickback safe harbors could give boost to P4P, DEC:175
Hospital program links pay to quality care, SEP:122
Data from landmark P4P project are in: Learn what top-rated organizations did, FEB:17
IOM report: Medicare should switch to P4P:DEC:175

Peer review
Peer review: What you can do to avoid lawsuits, DEC:166

Performance measures
CMS and Joint Commission measures are aligned, OCT:135
JCAHO, AHA clash on performance data, JAN:3
New studies examine the impact of performance measures, JAN:1
SIP measures now available to public, MAR:43

Periodic performance review
Consider the 'full PPR' option to improve quality, AUG:109

Publicly reported data
Make the most of publicly reported quality data, SEP:121
Medicare final rule calls for increased reporting of quality data, OCT:133
Study: Public reporting gaining "long overdue respect" for quality managers, DEC:161

Quality improvement
Are improvements getting lost in committees? APR:55
Hospitals use free online resource to boost quality, AUG:111
Integrated system helps hospital improve quality, NOV:151
Multiple methods to assess quality are needed, say studies, NOV:149
Patient Safety Alert: Study: Quality, patient safety improving at a modest pace, APR:1
Quality, case managers collaborate for better care, NOV:153
Report: A growing 'quality chasm' for hospitals, APR:55
The Quality-Co$t Connection: Don't declare QI victory too soon, OCT:145
The Quality-Co$t Connection: Improvements don't end with the action plan, JAN:11
The Quality-Co$t Connection: Get actionable results from surveys, JUL:100
The Quality-Co$t Connection: Why process improvements don't last, FEB:24

Rapid response teams
Can you demonstrate how your rapid response team has impacted care? JUN:74

Risk management
Peer review: What you can do to avoid lawsuits, DEC:166

Sentinel events
Study: Why are wrong-site surgeries still occurring? JUL:94

Surgical infections
SIP measures now available to public, MAR:43

Teamwork
The Quality-Co$t Connection: Teamwork is more than good communication, NOV:155
Teamwork checklist—Event or undesirable situation, NOV:156
